

Housing Highlights

From the President:

Hello RRHAK members! Hope you are enjoying your summer! It was great to see many of you at the April conference, which by the way, was our last. We had great topics and presenters and at the end we discussed the future of RRHAK. As we look ahead, our focus is on providing training throughout the year by visiting each district quarterly. The topics chosen are from your feedback as well as current RD information, they will be provided at each training course, so you don't need to leave your area. This is your benefit of membership; the cost is zero so please join us! What a great opportunity to learn and be with other managers in your district as well as your RRHAK representatives, enjoy lunch together, and you don't need to travel too far. Our first stop will be in the NE district at the Manhattan Public Library on August 14th (see attached flyer), remember to RSVP by 7/31/24. The rest of the schedule will be announced at a later date.

Sincerely,

Harvey McFarland
President

July 2024

Greetings from Wendy,

We are committed to providing, little to no cost, training for you, so we have restructured the RRHAK training. No more conferences keeping you traveling across the State, far from home and the office, with expensive entry fees and hotel rooms.

August 14th, we launch the quarterly training in the NE district, which includes lunch at no cost to you. Simply RSVP to me in an email or text, before 7/31/24 and you will enjoy a One day training on frequently requested topics and updates from RD.

As Harvey said in his greeting...this is a benefit of being a loyal due paying member of RRHAK, so plan to join us on August 14th at the Manhattan Public Library, auditorium. Class begins at 10am and will close at 4pm. IF you are not in the NE district, don't panic, a quarterly training will be coming to your area soon!

Stay hydrated, stay safe and enjoy this summer!
